Discipleship Growth Plan
September 2019 – April 2020
Living what we believe - Knowing Being Doing

As from September 2019 we will embark on a strategy for discipleship growth here at College St. We believe that every member and visitor is a gift to our local Church and the wider Christian Community and we want to maximise the growth and use of these gifts for the purpose of the kingdom. We will look at how we can best empower and enrich everyone to become more effective Pentecostal disciples of Jesus Christ.

Pentecostal disciples embrace a Spirit-led mind-set and lifestyle. To this end, we will facilitate a strategy to examine the way we do Church inside and outside the building in line with Scripture through our various spheres of ministry in order to bring about the growth and maturity to be expected when we live what we believe in the aim to become more and more like Jesus.

Our approach will be relational with three pertinent questions under the banner of 'Living what we believe'. Each area of ministry/ Department will be guided to engage everyone: members and visitors in sharing, relating and learning opportunities to enhance our knowledge, understanding, and life choices to help us turn our commitment to Christian discipleship into a sustainable lifestyle.

During the period of time, we will search the Scripture for answers to questions such as:

What do we need to know (our beliefs)?

How do we need to be (our attitudes)?

What do we need to do (our behaviours)?

We expect to see evidence of transformation and growth in each individual expressed through changed lifestyles, testimonies, greater commitment to Christian service, perhaps the use of a personal development plan, enriched and enhanced ministry teams and ministries and most definitely an empowered and mature community of believers at College Street NTCG.

For further information, please speak to a Head of Ministry Area/ Department, a member of the Church and Pastors' Council or Bishop Allen.

Why Being a Pentecostal Matters to Me

We value the vibrant worship and passionate preaching about our Lord Jesus and his kingdom along with the challenge of living to make God's kingdom a reality within our Pentecostal tradition. We can recall the pulling on our heartstrings in our youthful days to be part of the church on seeing the member's demonstration of holy joy in their lives.

The preaching of the Word in terms of re-telling and referencing the stories of the Bible has been powerful to us in relating to the challenges of life. The Word of God really comes alive with relevance for life in the 'telling' of our faith through stories traditionally called testimonies. This is when a church member tells his or her own story relating to how God intervenes on their behalf. Scripture tells us that we are overcomers by the blood of the Lamb and the word of our testimony. Pentecostal worship can be spontaneous, enriching, and lively when being led by the influence of the Holy Spirit. Experiencing the move of God in worship as individuals proclaim the Lord's excellence and their love for God is powerful and captivating.

Another enriching aspect of our Pentecostal heritage is that we are part of a movement that is not limited to any location, group or culture. It is God's movement that has swept the world globally with its richness of the gospel in power and exploits. As Pentecostals we all share the same experience for it is the same Spirit who has filled us. We can recall great moments of being all alone with our Lord as well as shared times with other worshippers.

We have encountered many challenges in terms of our Pentecostal faith but when we consider how we have been nurtured and shaped within the Pentecostal church and the solid foundation on which we now stand we have no regrets. We are thankful for the opportunities that were given to us for our development in ministry and made us who we are today. God has indeed led us on our life-pathway using channels such as those who have spoken and invested into our lives and for which we are grateful. Their investment was not in vain. Today we serve in ministry that has taken us outside the boundaries of our denomination taking the gospel to those on the borderline of our society, bringing the message of hope to the hopeless, the message of reconciliation and redemption, setting at liberty those who are in captivity.

In a nutshell, to be Pentecostal is to be Christ-like in our witness empowered by the Holy Spirit. We are like a flower that is planted in the garden, if it is not watered regularly it will die. The Holy Spirit is the watering that we need to keep growing in the Lord. Our lives have been influenced by the power of the Holy Spirit. The Spirit-led life acknowledges the outpouring on the Day of Pentecost and the privileged access that every believer has to the power of the Holy Spirit today and for always. These are just some of the reasons why being a Pentecostal matters to us and why we proudly consider ourselves as Pentecostals.

TO ALL NTCG PASTORS AND DEPARTMENT HEADS

Dear Brethren

Re: Prayer for National Convention/Open Forum/National Ministers/Conference etc

Sincere Christian greetings in the wonderful name of Jesus, our risen Saviour and Lord.

As we prepare for the upcoming National Convention, the Global Forum and the National Ministers' Conference, I have sensed that the Lord is calling the Church to prayer. This has also been confirmed by several individuals.

In obedience to what the Lord is saying, I am asking all pastors to set aside the weeks of the **7th -10th July 2019** and the **18th - 24th August 2019** for a time of prayer in the local churches. Please use **2 Chronicles 7:14** as the basis for these prayer sessions, and I recommend that where possible this should be corporate prayer. If you have other activities planned on these dates, please find a way to incorporate prayer for those activities.

I am convinced that if we follow the leading of the Lord, He will do wonders in our midst. My prayer is that something miraculous will happen in your Church during these prayer meetings.

I would appreciate you sending me a feedback at the end of each prayer week of meetings.

With my prayers and best wishes for you and the congregation you lead.

Yours in the Master's service

Dr. Donald Holt
Administrative Bishop

Prayer Devotional for June 2019

Strengthen Your Grip on God's Supernatural Empowerment

“ But you will receive power, when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria and to the ends of the earth ” Acts 1:8 NIV)

Prayer :

Holy Spirit may you helps us to strengthen our grip and our dependence on you, to help us to journey forward on God's destiny path for our lives as individuals and as a church family.

Lord help us to recognise that without your Holy Spirit enabling us, we can do nothing successfully pleasing to you in your kingdom business. Without your enabling power to do your work, our human efforts and labour will be in vain in your eyes.

Lord help us to always tap into your source of spiritual refreshing when we get tired and worn doing your work.

Lord help us to strengthen our grip in 2019 more than ever before, on your enabling spiritual power for kingdom service

Amen
