Discipleship Growth Plan

September 2019 – July 2020

Living what we believe - Knowing Being Doing

Tanya and Tiffany Allen

The Discipleship Growth Programme currently running at our Church is a spiritual formation and growth programme. At the

outset, we thought it was a programme to train our Church members to become effective and efficient team leaders of the various ministries and programmes such as the prayer team, young coverts. We are finding it helpful for our growth as Christians. It challenges us to think about how and why we need to study the Bible in order to grow. It also encourages us to enrich our relationship with God, pray, practice the Word and participate in fellowship with other Christians.

We learn that it is one thing to be a newly born Christian but another to be a mature disciple. The programme is also helping our congregation to come together in our shared belief in Christ and learn together through the sermons, Sunday school, teaching and group work etc. to deepen our understanding of discipleship. As Christians, it's important for us to ask questions and maintain a routine in studying the bible, to improve our confidence and also to increase our appetite for the Word. Sometimes it can be difficult to keep up with the study but we know that it will always be helpful in the long run.

Some of the learning resources are very interesting, informative and helpful as they explain and challenge us about how we need to check the references for our mindset ,

complete our goals and understand what God wants for us. However, maintaining this level of thinking can be difficult as it is easy to become discouraged if we think we are not keeping up with the challenge.

It would be good if we could have more sessions for our specific age group. We think we would benefit more from this programme if there were more open discussions specifically for young people to talk about the issues as they relate to our life experience and help us to encourage each other to go and do some further thinking and research on the subject in question and then share what we have learnt.

It is good to have guidance from the older generation, however more often than not young people are more reluctant to speak after the older generation have spoken, as we feel our ideas may clash with theirs and in sharing our ideas the older generation might think we are being disrespectful. Some of us might then think we said something wrong as oppose to something different because in essence we lack the confidence to agree to disagree and encourage each other to go and do some further thinking and research on the subject in question and the share what we have learnt.

For further information about the Discipleship Growth Programme, please speak to a Ministry/Department lead, a member of the Church and Pastors' Council, Bishop Allen or send an email to the Facilitating team via growth@ntcgnorthampton.org.uk

Hello All,

With all that is now happening around the world with the Coronavirus, I would like to remind us that God is in control. As the song writer says, “He has the whole world in his hands”, so let us not be discouraged or fearful because he Lord of God is with us.

The building of our churches might be closed at the moment; but the church isn't, as we are the church individually. So, let us come together as we usually do, as we know that when two or as many of us come together, he is in our midst.

There is a project that I would like you to take part in, as a way to encourage or local believers through prayer, worship and gospel proclamation that we hope to reach hose around the world.

How?

I am asking everyone to send a short video clip using their phones to reachworld1@gmail.com of them self or with family members together saying the Lord's Prayer (Please see the version below. This will ensure we are all saying the same thing). Then this will be edited and collaborated together to be sent out to as many as we can reach worldwide as an encouragement.

Each week we will either do a song, psalm or something evangelistic. The goal is once recorded and collated to reach as many people around the world with a message of hope in our Lord Jesus, our only hope at this time. We will continue with this project until the church doors are opened.

Please send to as many people as possible, but be aware spaces are limited so videos will be uploaded on a first come first basis. However, we will try to add all videos sent to us to other future video messages.

God Bless, **Name?**

Lord's Prayer

*Our Father in heaven,
hallowed be your name,
your kingdom come,
your will be done,
on earth as it is in heaven.*

Give us today our daily bread.

*And forgive us our debts,
as we also have forgiven our debtors.*

*And lead us not into temptation,
but deliver us from the evil one.*

For yours is the Kingdom the Power

And the Glory for forever. Amen.

My Sincere Pledge To You

I Pledge to serve You the best way I can.

I may not be able to serve you financially, but I Pledge to serve You Spiritually.

I Pledge that I will Pray for you.

I Pledge that I will Affirm You

I Pledge that I will Encourage You.

I Pledge that I will Genuinely show my Loving Concern about You, by asking about your Health and Family.

I Pledge that I will Genuinely, put my hand on your shoulders, should You allow me to do so, and will reassure You that I care for You.

I Pledge that I will Pray to find ways of slowing down, so that I can give You some of my Time.

The way Jesus found Time to relate to His Disciples and humbled Himself as a servant and served; let us Pledge to serve each other the same.

God give Us the Grace to do so.

God Bless You.

Birthday Greetings to all who are celebrating a birthday in JUNE and would like us to appreciate your special day
