IMPORTANT NOTICE

Increase in Covid-19 cases in Northampton

You may have seen in the media yesterday the news that Covid-19 cases within Northampton are higher than the national average. The rate of infection and amount of positive tests is increasing within the borough and we need to take action now to prevent further spread and potential local lockdown measures.

It is important that we all follow social distancing measures and guidelines but residents within the borough of Northampton are being urged to strictly follow the below guidelines.

- Limit contact with others outside of your household or bubble.
- Keep 2 metres from others at all times, use a face covering where you are less than 2 metres apart.
- Avoid using public transport or car sharing, wear face coverings if you cannot avoid these.
- If you have symptoms, however mild, stay at home, self-isolate and get a test and consult with your GP. Do not come to Church .
- Avoid meeting those outside of your household or bubble in an indoor space.
- Wash your hands regularly and thoroughly for 20 seconds each time.
- Do not share items with others outside of your household or bubble.
- If you are contacted by test and trace and asked to self-isolate, stay at home for 14 days.

A mobile testing unit has been deployed in the Town Centre from Thursday 23 July through to Monday 27 July, enabling more local people to get a drive-through or walk-in test closer to where they live.

Remember that face coverings must be worn in shops and supermarkets from today.

We are now recruiting Volunteer Stewards who are:

Discipleship Growth Plan

September 2019 – July 2020

Living what we believe - Knowing Being Doing

Bro Ceprian-Wells

My journey of faith is a long story and a long process with God. I grew up in a Christian home with my grandparents in Jamaica. In those days , Sunday was a day for

Church for me but when I came to England the demands of work took the better of me. I came to the conclusion that although I use to go to church I had not made a commitment to God so I began visiting a few of the churches in my area. I started to read the Bible in earnest and came to the conclusion that being a Christian must be more than popping into church now and then. In 2005 I met Bro Gordon who talked to me about salvation and reminded me of my early days in the church. He told me about the College Street and I started to attend the church in 2006 and made a commitment to the Christian faith and became a member. Since then I have never turned back. Church has become my life. I believe God is directing me. I know where I am coming from and I believe God has me on a journey.

The Discipleship Growth Programme is a great help at this time. We all need guidance, structure , good preaching of the Word and good teaching to help us understand the Word and how to live by the Word. I think the programme has reinforced what I already know and believe to be true. It has also got us thinking and talking more about what we believe, what we understand and what we don't understand.

I liked the sessions on the Holy Spirit. I think we could do with more teaching on the Holy Spirit. I would like us to hear more about how not to

quench the Spirit, how to be guided by the Spirit, how to operate in the Spirit, how to discern the Spirit and how to share what we believe is revealed to us by the Spirit.

I enjoyed Bro Louis' teaching in the Sunday School. His questions opened up a lot of deep thinking and challenges.

I feel more determined to do my best for the Lord and not to be frightened by what others might think or say about me. I may not be able to speak the best English but I become more aware that that God wants us to love and respect people regardless of whether they are old or young. It is very important for us to value and live in one accord and not cut against each other. 'Let the am determined to continue in my mission to help people out of their distress and needs whenever I can wherever they are, here in England , in Africa or Jamaica or somewhere else. I said to the Lord, 'Lord you know what I can do.' and God said to me 'I will give you my language.' so I have decided to continue to pray and listen to God and do what I believe he wants me to do for him. Three of my mission is to study the Word , help to meet the needs of some specific people who live in Africa and Jamaica and continue to pray for the young people and their leaders here at College Street.

The programme has helped me to Church be the Church' is my prayer for us at College Street.

For further information about the Discipleship Growth Programme, please speak to a Ministry/ Department lead, a member of the Church and Pastors' Council, Bishop Allen or send an email to the Facilitating team via growth@ntcgnorthampton.org.uk
