A New Years Greeting and a word of HOPE to The Leicester District Women's Discipleship Ministry

To my dear sisters, I greet you in the name of JESUS our Messiah and King, I pray that you have a blessed new year in 2021 !

"I know what I intend to do for you, declares the Lord. I plan good things for you and not bad. I'm going to give you a future and a hope. Then you will call for my help, you will come and pray to me, and I will answer you. You will look for me and you will find me when you're completely committed to looking for me." (Jeremiah 29:11-13 FBV)

What profound words from the great prophet Jeremiah

2020 has been, to date, the most challenging of years!! No year is equal to it! Certainly not in my lifetime!!

COVID-19 has caused some to face, loneliness, financial or health challenges, redundancy, lost opportunities, anxiety, broken relationships, bereavement or ongoing spiritual battles.

This global pandemic has caused for others, great anguish, as many people in society are facing tremendous stress and anxiety, due to isolation from friends and loved ones. The inability to physically connect with other human beings and the lack of social connection, may have a negative impact on our mental and emotional well being.

As believers, we are not in denial of the pain and sorrow which many people are experiencing. We are very much aware of the current situation. But in Jesus we have hope, that GOD will deliver us!

Yet, GOD our Father says, through His prophet; *"I know the plans and thoughts that I have for you, 'plans for peace and well-being to give you hope."*

'My mothers, my sisters and my daughters' Covid19 has given us a wonderful opportunity to reach out. We can reach out to our brethren, neighbours, family, friends, acquaintances and work colleagues, in a way that was never fully explored or appreciated before!

We may not be physically in the same space, but we can reach out through using our telephones, with a phone call a text message, email, FaceTime, Facebook or Zoom platform! It's wonderful.

Reaching out to others, allows us to look OUTWARD! Instead of inward! (Taking our eyes off our own circumstances and reaching out to someone else) Sharing a word of encouragement, praying together, singing, laughing together! Crying together, Reading the word together and most importantly: LISTENING!!! To each other

There is an old gospel song which says' 'if I could help, somebody as I pass along, then my living shall not be in vain'

You will be amazed how much, you will enhance your own well-being if you engage in reaching out to others. Especially someone whom may not be able to give back to you. That is what our LORD JESUS CHRIST\$ did for us when He gave His life for us.. We can never repay Him.

Try Re-setting the button of Agape love! GOD\$s LOVE: The love button! by reaching out to others in 2021!!!

Revive Letter writing!! Why not? Or send a card to someone you know, who needs encouraging.

I call on the Naomi's and the Ruth's The Senior and Junior women on this Leicester District. Let us enhance our own well-being by reaching out and re-setting our relationships and love for others. GOD is depending on us! "Together we stand divided we fall..."

You may say, "Sis Paulene, I don't have the strength. I'm too broken, or wounded"! GOD says if you call to me, I WILL ANSWER YOU! I WILL HELP YOU!! And we know GOD is not a liar, cast your mind back in 2020 When GOD protected you! Kept you! Delivered you! Brethren He's faithful! And if He did it once! He will do it again!!! Praise The name of JESUS.

GOD also says'

"When you search for me, yes, search for me with all your heart, you WILL find me." (Jeremiah 29: 13)

What an amazing promise! However there is a caveat. (A warning - Something we have to do) We must seek after GOD, with ALL OUR HEART! We must be intentional in our pursuit of GOD.

Therefore there are times when we need to quieten our minds by closing off all distractions; e.g. coming off social media, switching the TV off! Pulling away from the negative news and media information, which can instil so much fear, worry and uncertainty. We need to take out time to be with GOD meditating on His word, praying, giving GOD praise in the name of JESUS and worshipping Him. We must speak and declare the word over our circumstances. Pray for our nation and others! ***We must keep our eyes fixed on Jesus!***

Please know that my thoughts and prayers are with you.

Remember GOD is always faithful and always keeps His promise. He is close to the broken hearted and He is our strength and shield.

Shalom

Discipleship Growth Plan January to December 2021

Living what we believe - Knowing Being Doing

Sis Denise Richards

I grew up in the Caribbean with my grandparents who taught me how to fear God. I came to England in March 2001. I thought this was a Godless nation because I didn't know the scripture: Psalm 139 v 8 that says if I make my bed in hell behold God is there.

My eldest son invited me to College St NTCG at the time when it met at Sheep Street. He was only 7 years old at the time and had visited the church with my cousin. I always thought I was a Christian but I didn't have a relationship with Jesus. I accepted Jesus as my Lord and saviour in 2005. It is the best thing that ever happened to me.

I became a member of College St NTCG in November 2005. I enjoy the praise and worship at College St, in fact, on reflection it is what I most like about the Church. I enjoy the praise and worship because praising God is a lifestyle and it helps me to connect with God. I love going to prayer meetings and experiencing the power of prayer. The Church has helped me to grow and develop in my spirituality and strengthen my faith in God. I am encouraged to read my bible and to seek the baptism of the holy spirit. I've learnt that the Christian life is enriched and empowered by the infilling of the Holy Spirit. The Holy Spirit teaches believers 'all truth' and counsels us through divine wisdom. The College St NTCG provides lots of opportunities and resources to help members learn and develop, for example: Sunday school, Cell group, Prayer meetings, and Bible studies. However, I am not able to attend all of these because of family and work commitments.

The current epidemic presents a range of challenges for everyone around the world and Northampton has not been exempted. We have all had to examine our values and the ways in which we choose to live our lives. Covid-19 and the subsequent 'lockdowns' have helped me to

understand that only salvation last forever and that things can change in a twinkle of an eye. I believe I coped and I am still coping reasonably well with life under the restrictions. As a frontline worker, I think and feel as if I am a soldier on the battlefield and have come to understand and appreciate the fact that I am of great value to my Community.

The restrictions had its impact on the way we do Church at College Street. Face-to-face gatherings were limited and of course there were times when we could not even meet as a gathered congregation. Print and social media became our only means of connection. I joined in on a couple of zoom services but found that they did not work for me. When we were able to open our Church doors again, I gladly attended the Sunday morning services. I felt like Nehemiah as recorded in Nehemiah 2 vs 1-3, when he heard about the gates around the city had been destroyed and his expressed willingness to rebuild what had been destroyed.

I realize that Jesus and the people of God are bigger than the four walls of all the churches in the world and there are many people in the community who need our help. My hands are up in surrender to Jesus and my sense of purpose. I am committed to the way of Jesus and where he leads me I will follow. Like Mary said, I also say; '...Be it unto me according to your Word'. Luke 1 vs 38. It is a great experience to know Jesus for yourself and not just about and from what people say about him. Personal experience is important. I am glad for my own growing experience with our triune God.

“WELLBEING CORNER”

Lord, Teach us to Prayer

“Thy Kingdom come.” [Matt.6:10]

What does this mean?

2020 felt like holding your breath – waiting to exhale, in disbelief that all your plans and resolutions have come to naught. It left such a bad taste in our mouth that we were overly anxious for it to come to an end. This prolonged inhale is hard to sustain, however. We must find new ways of exhaling and deep breathing so that the spiritual, as well as our physical lungs do not become congested. We can do this by thinking more deeply about what we can do to manifest God’s kingdom on earth. Jesus gave us a big clue; “Woe unto those who cause offence” [Matt. 18: 7] He said.

[Matt.18:3,4] Jesus called a little child and said, “Except you become as little children, you shall not enter into the kingdom of heaven.

Whosoever shall humble himself as this little child, the same is greatest in the kingdom of heaven.” ... Jesus goes on to say, “Offence will come, but woe to the man by whom it cometh.” Here Jesus is painting a picture of the type of attitude and behaviour that must be cultivated by ‘children of the kingdom’. Offence means anything that causes hurt, harm or injury to another. This begins to shed light on where our energies should be focused for 2021.

Being mindful not to cause hurt, harm or injury to another is a useful technique or discipline for ensuring that we engage in kingdom behaviours. Because what it does is encourage us to do the opposite. To help, support, uphold and embrace others in their journey to the

Kingdom of God.

Being restricted in movement and normal activity has the effect of focussing the mind on things which we are NOT allowed to do: like visiting family and friends; taking flowers to the sick in hospital; attending someone’s homegoing service; and so on. But does your neighbour have food in the house? Is there someone you know who is lonely, perhaps suicidal? Could you pray with someone whose relationship is breaking down? or send some kind words through the post?

This prolonged inhale made me think about the space between an inhale and an exhale. There is a moment of consciousness which says, ‘it’s time to breath out’. If you don’t breathe out now, you might go light-headed and feel faint. This is what I call a ‘God moment’ where it becomes obvious that you need to change your mindset and do something different.

The kingdom of God was brought to earth by Jesus. “Thy Kingdom Come” is our prayer of commitment to “Do Jesus” better in 2021. Let Him Kingdom come through you! 2021 might be feeling like a damp squid, tainted with even more lockdowns, more restrictions on movement, and little opportunity for exhalation. But even though we are in lockdown, we are not locked down. Let’s get busy! ...
