“As Christians seek to lead the way in racial reconciliation this film is a critical tool in unpacking important ingredients that made and sustained this cruel, inhumane and evil enterprise.

This is crucial viewing”

Dr Joe Aldred

National Church Leaders Forum, former ecumenist at Churches Together in England

“This film represents a watershed moment for the church. The case for the wrongs of the transatlantic slave trade to be addressed through restitution leading to true reconciliation has been made.

I commend this film as a must watch for every person.”

Bishop Mike Royal

General Secretary, Churches Together In England, CTE

Bishop Donovan,

I pray that you, the family, and the church are doing well in the power of God's grace.

I am requesting your support to raise £5000.00 to provide a roof and flooring for a church which is located in Chiransa in the Kumasi region of Ghana. I visited them last year and have seen the condition under which they congregate for worship, which only happens when there is no rain - please photo sent separately!

I have raised to date just over £1200.00.

I am requesting that you ask your church for a special offering to this effect and send the same to the following missions account which I operate, with the reference of your church and Ch/Roof/Floor.

Account name:
Rev. B. A. Mullings

Barclays Bank.

Acc. No: 83702367
Sort Code: 20-26-20

I will let you know the total amount raised and provide photos of work before and after along with an account of transaction with reference to exchange rate and cost of material and labour.

God will bless you for doing your part in aiding the speed of the Gospel of Jesus Christ for the glory of His name.

Respectfully yours

Operation Christmas Child 2022

Good News! Great joy!

The mission of Operation Christmas Child is to show God's love in a tangible way to children in need around the world, and together with the local church worldwide, to share the good news of Jesus Christ. Since 1990, more than 157 million children in over 160 countries have experienced God's love through the power of simple shoebox gifts from Operation Christmas Child.

This year our goal is to send two-thirds of shoeboxes from the UK to Ukraine or the neighbouring countries like Moldova and Romania that are hosting many Ukrainian refugee families. During the early days of the Ukraine crisis, an Operation Christmas Child outreach event for refugees touched the lives of many families. Since the beginning of the crisis in Ukraine, thousands of Operation Christmas Child gifts have been distributed to children there and in surrounding countries by our local church partners; but there is still the opportunity to bless many more who are in need.

There are 5 different ways to contribute this year

1. **Packing your own shoeboxes**
2. **Drop individual items from the list in the box in the foyer (tip check out baubles on the trees to see which items we need)**
3. **Pack a shoe box online for £20**

<https://shoebonline.samaritans-purse.org.uk/>

4. **Sponsor a suggested donation of £5 which** is essential to cover project costs, including shipping, to enable a local church or group overseas to lead a safe, well-organised children's event where your shoebox will be given to a child in need.
5. Pray for the work of OCC and for the children and families who will be led to Christ through –The Greatest Journey’

How to pack a shoebox

- Find an empty medium sized shoebox and wrap box and lid separately.
- Get the appropriate boy/girl label. Mark the correct age category and attach the label to the outside of your shoebox
- Fill your shoebox with a variety of new gifts that will bring delight to a child, add a suggested project donation of £5 which included shipping, and hand it to your Project Leader. You can also pray for the child who will receive your shoebox gift
- Hand in your prepacked box at church Sunday **20th November 2022.**

Don't forget to get your labels, rubber bands and add your £5 .00 donation.

Any further information please don't hesitate to contact me. Many blessings

Rachelle

This is my Testimony

Sis Murna Braham Stewart

I was born in Jamaica in 1958, in the Parish of Trelawney, in the district of Lime Tree.

I came to England in the Winter of 1965. I came to England because, like many other parents, my mother left me with other family members until they were able to send for me to travel to the UK and reunite with my mum and dad.

As a child, growing up in Jamaica I went to Church with my family. I didn't understand why, but I knew that what my mother was doing was important to her and I had no choice but to go along with her and I continued to do so as I got older. I stopped going to church after I got married when I was 19yrs old. However, after a very abusive marriage which lasted 5 years and the legacy of two children, I started going back to church.

When I came to England, I lived in Bedford. My family and I went to the Brickhill Baptist Church, where I would always sit at the back of the church, hoping that no one would see me. One Sunday, whilst sitting in my usual spot, I closed my eyes whilst the preacher was praying, and in my mind's eyes I saw myself walking very briskly down a beautiful path, I was almost running to get to the end with tears running down my face. When I opened my eyes, I was standing at the pulpit telling the minister that I wanted to be Baptised. The minister was happy and asked someone to pray with me. I did the discipleship training and was baptised soon after. At that time, I was 25 years old.

I was introduced to Northampton NTCG in 2013 when we moved to Rushden. My Cousin Nancy introduced my second husband and me to the Church. I became a Member of College Street NTCG in 2016.

When I first attended College Street, I didn't know what to expect, but I was

College Street Church is fulfilling in me what God has in store for me. I am a mentor for some of the local University Students and I enjoy working with them. I am energised by their hunger to seek God in every situation, and their trust in me to offer them support in their Christian growth.

One of my favourite scriptures in the Bible is Luke 12 v 22-23 'Do not worry about your life or what you will eat, or what you will wear, Life is more than food and the body is more than clothing'

On the 26th September, 2019 whilst I was working in my office at home, the Holy Spirit put me in a sleeping mode at my desk, and placed a pen in my hand and allowed me to write in my diary these words “ ***Hold on to your faith***” ‘then again I heard “ Something is going to happen, hold on to your faith and share this message with the Church.” I had no idea what this meant, but soon after that, came ‘Covid -19. I am happy to say that I am not afraid of Covid-19, because I am “Holding on to my Faith”, wearing God's Armour, and that I was obedient in sharing this message with the Church.

Many people are vulnerable due to ill health, and Church services on Zoom

have been a blessing to them. A major learning insight for me over this period has been the privileged opportunity to listen to God more acutely, trust him more strongly and make myself more available to do his will.

I would like to say to those who come to Church and sit and enjoy the services, don't be a spectator and leave empty handed, come with an expectancy to be empowered and enriched to be used by God in accordance with his good and perfect will and when you do that, you will experience 'Jesus the life changer' as he has been for me.
