“As Christians seek to lead the way in racial reconciliation this film is a critical tool in unpacking important ingredients that made and sustained this cruel, inhumane and evil enterprise. This is crucial viewing”

Dr Joe Aldred

National Church Leaders Forum, former ecumenist at Churches Together in England

“This film represents a watershed moment for the church. The case for the wrongs of the transatlantic slave trade to be addressed through restitution leading to true reconciliation has been made. I commend this film as a must watch for every person.”
